

# Esoffflow joins United Nations Global Compact

As a further statement of its commitment being a socially responsible company, Esoffflow officially joined United Nations Global Compact (UNGC). The UNGC is a strategic policy initiative for businesses that are committed to aligning their operations and strategies with ten universally accepted principles in the areas of human rights, labour, environment and anti-corruption.

Esoffflow will become an active member of the Global Compact Network Vietnam (GCNV), a local network of the UNGC with the aim of supporting members to implement effective Corporate Social Responsibility (CSR) in Vietnam. The decision to join UNGC is a logical step given Esoffflow's active role in promoting good working relations and CSR within the company.
