

## Esoffflow joins working lunch with Danish Minister of Education

On July 1<sup>st</sup>, Esoffflow was invited to join a working lunch with Danish Minister of Education, Troels Lund Poulsen. The Minister visited Vietnam as part of an Asian tour to boost educational ties between Denmark and Asia.

Thomas Frisenberg, CEO of Esoffflow shared his experiences on the education level among Vietnamese graduates, and how this affects the recruitment and training strategy of Esoffflow.

Esoffflow is investing heavily in further upgrading skills among its staff both technically and in various soft and management skills. In addition, to company sponsored training, esoofflow has since its start, operated with an educational bonus scheme for all staff.
