

## **Esofflow services clients on four continents**

Esofflow has just signed a new contract with a leading client in Australia, meaning that Esofflow now is servicing clients on four continents – Australia, Asia, Europe and the US.

The total volume that Esofflow handles continues to grow. In 2010, the company processed some 1.5 million images for various clients.

Some 140 staff are working in three shifts to ensure on-time delivery to clients placed around the world.
