

## First graduates from CSR projects starts

On September 15<sup>th</sup>, two new staff joined esofflow. Long and Duyen are among the first “graduates” from esofflow’s CSR training project. They finished top in their class, and they have now joined our floor plan team as full time staff.

Meanwhile, we have started training the 2<sup>nd</sup> batch of students at the Ba Vi Centre. 16 new students have joined the training course. The course is expected to be completed in October 2011.
